

***"Al's message about value is one of the most transformational experiences i've ever had. He grabs your heart and mind with perspective, tools, and takeaways the world needs now more than ever."***

**-Heidi Katz, President-National MS Society NEF**

## **Al Emerick: Value Guide - Speaker - Founder**

Al speaks with passion, positivity, and humor about human and organizational value. With great practicality, he unlocks how we can individually and collectively unite through better understanding and communication of value in our lives. His message?

*Every person, organization, and community has hidden value that's waiting to be unlocked, understood, and shared with the world.*

Al shares his message through speaking, seminars, and workshops helping people, businesses, and organizations achieve success with deeper meaning, purpose, and joy.

### **Al Is The Right Speaker If You...**

- o are seeking a completely fresh, thought provoking, and relevant topic
- o want to engage, stimulate, and challenge your audience
- o are hungry for your attendees to be inspired, laugh, and feel great
- o want to give participants easy to use tools to "get to work" immediately
- o need an emotionally intelligent speaker who genuinely connects with your audience

### **KEYNOTES, SEMINARS, AND WORKSHOPS PODCASTS, VODCASTS, TELEVISION,**
